DERMO-AESTHETIC PORTFOLIO

GEOVANNY VELA ITALY

Italian Excellence with a Global Vision

Geovanny Vela Italy was born from a passion for perfection and the desire to raise standards in high-end dermatological and aesthetic care. Our brand is the reflection of a concept where science and aesthetics meet to offer real results.

With the indisputable "**Made in Italy**" seal, we have projected our international expansion by bringing avant-garde formulas to the most demanding markets. Every product in our catalog has been designed under strict quality controls, constantly adapting to world trends and guaranteeing safe, effective, and innovative solutions.

Our pillars of trust:

- ✓ Made in Italy.
- ✓ Suitable for all skin types.
- ✓ 100% hypoallergenic.
- ✓ Paraben-free.
- ✓ Competitive prices.

DERMO LIGHTNING CONCENTRATED SERUM

Mandelic Acid | Salicylic Acid | Lactic Acid | Retinol

Concentrated serum with depigmenting
effect. (Whitening).

Acts on cellular stimulation, clarifying the skin. Ideal for eliminating spots caused by excess pigmentation, with great antioxidant power, preventing cell aging and effectively combating free radicals. Ideal for eliminating marks, it has bactericidal properties, softens the skin, reduces sun damage, and improves texture and tone in general.
